In the event of any conflict or inconsistency between the provisions of this Declaration and the Association Rules, the provisions of this Declaration shall prevail.

5.4 Personal Liability. No member of the Board or of any committee of the Association, no officer of the Association, and no manager or other employee of the Association shall be personally liable to any other person or entity, including the Association, for any damage, loss or prejudice suffered or claimed on account of any act, omission, error, or negligence of the Association, Board, the manager, any representative or employee of the Association, or any committee, committee member or officer of the Association; provided, however, the limitation set forth in this Section shall not apply to any person who has failed to act in good faith or has engaged in willful or intentional misconduct.

5.5 Implied Rights. The Association may exercise any right or privilege given to the Association expressly by the Project Documents and every other right or privilege reasonably to be implied from the existence of any right or privilege given to the Association by the Project Documents or reasonably necessary to effectuate any such right or privilege.

5.6 Identity of Members. Membership in the Association shall be limited to Owners of Lots. Every owner of a Lot shown on the Plat shall be a member of the Association. Membership shall be appurtenant to and may not be separated from ownership of a Lot. Any sale or transfer of a lot shall also be deemed to be a sale or transfer of such Owner's membership in the Association. An Owner of a Lot shall automatically, upon becoming the Owner thereof, be a member of the Association and shall remain a member of the Association until such time as his ownership ceases for any reason, at which time his membership in the Association shall automatically cease.

5.7 Classes of Members. The Association shall have two classes of voting membership:

000027121

-13-

state del oro village declaration/August 23, 1990

5.7.1 Class A. Class A members shall be all Owners of Lots with the exception of the Declarant until the termination of the Class B membership. Each Class A member shall be entitled to one (1) vote for each Lot owned.

5.7.2 Class B. The Class B member shall be the Declarant. The Class B member shall be entitled to three (3) votes for each Lot owned by the Declarant. The Class B membership shall cease and be converted to Class A membership with respect to any Lots then owned by the Declarant on the earlier of (i) the date on which the number of Class A votes exceeds the number of Class B votes; (ii) September 1, 2009; or (iii) when the Declarant notifies the Association in writing that it relinquishes its Class B membership.

5.8 Voting Procedures. Matters upon which members of the Association shall be entitled to vote shall be decided by a majority of votes present at a meeting. There shall be one vote per Lot. No change in the ownership of a Lot shall be effective for voting purposes unless and until the Board is given actual written notice of such change and is provided satisfactory proof thereof. The vote for each such Lot must be cast as a unit, and fractional votes shall not be allowed. In the event that a Lot is owned by more than one person or entity and such Owners are unable to agree among themselves as to how their vote or votes shall be cast, they shall lose their right to vote on the matter in question. If any Member casts a vote representing a certain Lot, it will thereafter be conclusively presumed for all purposes that he was acting with the authority and consent of all other Owners of the same Lot unless objection thereto is made at the time the vote is cast. In the event more than one vote is cast by a Class A Member for a particular Lot, none of the votes shall be counted and all of the votes shall be deemed void.

5.9 Transfer of Membership. The rights and obligations of any Member other than the Declarant shall not be assigned, transferred, pledged, conveyed or alienated in any way except upon transfer of ownership of an Owner's Lot, and then only to the transferee of ownership to the Lot. A transfer of ownership to a Lot may be effected by deed, intestate succession, testamentary disposition, foreclosure of a mortgage of record, or such other legal process as now in effect or as may hereafter be established under or pursuant to the laws of the State of Arizona. Any attempt to make a prohibited transfer shall be void. Any transfer of ownership to a Lot shall operate to transfer the Membership appurtenant to said Lot to the new Owner thereof. Each Purchaser of a Lot shall notify the Association of his purchase within ten (10) days after he becomes the Owner of a Lot.

5.10 Architectural Committee. The Association shall have an Architectural Committee to perform the functions of the Architectural Committee set forth in this Declaration. The Architectural Committee shall be composed of not less than two (2) people who need not be Members or Owners within the Property. So long as the Declarant owns any Lot, the Declarant shall have the sole right to appoint and remove the members of the Architectural Committee. At such time as the Declarant no longer owns any Lot, the members of the Architectural Committee shall be appointed by the Board. The Declarant may at any time voluntarily surrender its

right to appoint and remove the members of the Architectural Committee, and in that event the Declarant may require, for so long as the Declarant owns any Lot, that specified actions of the Architectural Committee, as described in a recorded instrument executed by the Declarant, be approved by the Declarant before they become effective. The Architectural Committee shall promulgate architectural guidelines and standards to be used in rendering its decisions. The decision of the Architectural Committee shall be final on all matters submitted to it pursuant to this Declaration, provided that, at such time as the Declarant no longer owns any Lot (or has voluntarily surrendered its right to appoint and remove members of the Architectural Committee), the Board may require that some or all decisions of the Architectural Committee shall require Board approval. The Architectural Committee may establish a reasonable processing fee to defer the costs of the Association in considering any requests for approvals submitted to the Architectural Committee, which fee shall be paid at the time the request for approval is submitted.

5.11 Conveyance or Encumbrance of Common Areas. The Common Areas may be mortgaged, transferred, dedicated or encumbered only with the prior written consent or affirmative vote of the Owners representing at least two-thirds (2/3) of the votes entitled to be cast by Class A members of the Association.

5.12 Suspension of Voting Rights. If any Owner fails to pay any Assessments or other amounts due to the Association under the Project Documents within fifteen (15) days after such payment is due or if any Owner violates any other provision of the Project Documents and such violation is not cured within fifteen (15) days after the Association notifies the Owner of the violation, the Board of Directors shall have the right to suspend such Owner's right to vote until such time as all payments, including interest and attorneys' fees, are brought current, and until any other infractions or violations of the Project Documents are corrected.

ARTICLE 6

COVENANT FOR ASSESSMENTS AND CREATION OF LIEN

6.1 Creation of Lien and Personal Obligation of Assessments. Each Owner, other than the Declarant, by becoming the Owner of a Lot, is deemed to agree to pay Assessments to the Association in accordance with this Declaration. All Assessments shall be established and collected as provided in this Declaration. The Assessments, together with interest, late charges and all costs, including but not limited to reasonable attorneys' fees, incurred by the Association in collecting or attempting to collect delinquent Assessments, whether or not suit is filed, shall be a charge on the Lot and shall be a continuing lien upon the Lot against which each such Assessment is made. Each Assessment, together with interest and all cost, including but not limited to reasonable attorneys' fees, incurred by the Association in collecting or attempting to collect delinquent Assessments, whether or not suit is filed, shall also be the personal obligation of the person who was the Owner of the Lot at

the time when the Assessment became due. The personal obligation for delinquent Assessments shall not pass to the successors in title of the Owner unless expressly assumed by them.

6.2 Annual Assessments.

6.2.1 In order to provide for the operation and management of the Association and to provide funds for the Association to pay all Common Expenses and to perform its duties and obligations under the Project Documents, including the establishment of replacement and maintenance reserves, the Board, for each Assessment Period shall assess against each Lot an Annual Assessment.

6.2.2 The Board shall give notice of the Annual Assessment to each Owner at least thirty (30) days prior to the beginning of each Assessment Period, but the failure to give such notice shall not affect the validity of the Annual Assessment established by the Board nor relieve any Owner from its obligation to pay the Annual Assessment. If the Board determines during any Assessment Period that the funds budgeted for that Assessment Period are, or will, become inadequate to meet all Common Expenses for any reason, including, without limitation, nonpayment of Assessment by Members, it may increase the Annual Assessment for that Assessment Period and the revised Annual Assessment shall commence on the date designated by the Board.

6.3 **Rate of Assessment.** The amount of the Annual Assessment for each Lot, other than Lots owned by the Declarant, shall be the amount obtained by dividing the total budget of the Association for the Assessment Period for which the Annual Assessment is being levied by the total number of Lots subject to the Assessment at the time the Annual Assessment is levied by the Board. The Annual Assessment for Lots owned by the Declarant shall be an amount equal to twenty five percent (25%) of the Annual Assessment levied against Lots owned by Persons other than the Declarant until such time as a Residential Unit has been constructed on the Lot and the Residential Unit has been occupied for Single Family Residential Use. After a Residential Unit has been constructed on a Lot owned by the Declarant and the Residential Unit has been occupied for Single Family Residential Use, the amount of the Annual Assessment for such Lot shall be the same as the Annual Assessment levied against Lots owned by Persons other than the Declarant. If a Lot ceases to qualify for the reduced twenty five percent (25%) rate of assessment during the period to which an Annual Assessment is attributable, the Annual Assessment shall be prorated between the applicable rates on the basis of the number of days in the Assessment Period that the Lot qualified for each rate. So long as there is a Class B membership in the Association, the Declarant shall pay to the Association any amounts which, in addition to the Annual Assessments levied by the Association, may be required by the Association in order for the Association to fully perform its duties and obligations under the Project Documents, including the obligation to maintain adequate reserve accounts.

6.4 Special Assessments. The Association may levy against each Lot which is then subject to assessment, in any Assessment Period, a Special Assessment for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of an improvement upon the Common Areas, including fixtures and personal property related thereto, provided that any Special Assessment shall have the assent of two-thirds (2/3) of the combined votes entitled to be cast by Members who are voting in person or by proxy at a meeting duly called for such purpose.

6.5 Assessment Period. The period for which the Annual Assessment is to be levied (the "Assessment Period") shall be the calendar year, except that the first Assessment Period, and the obligation of the Owners to pay Annual Assessments shall commence upon the conveyance of the first Lot to a Purchaser and terminate on December 31 of such year. The Board in its sole discretion from time to time may change the Assessment Period.

6.6 Commencement of Annual Assessment. The Annual Assessment shall commence as to all Lots upon the conveyance of the first Lot to a Purchaser.

6.7 Rules Regarding Billing and Collection Procedures. Annual Assessments shall be collected on a monthly basis or such other basis as may be selected by the Board. Special Assessments may be collected as specified by the Board. The Board shall have the right to adopt rules and regulations setting forth procedures for the purpose of making Assessments and for the billing and collection of the Assessments provided that the procedures are not inconsistent with the provisions of this Declaration. The failure of the Association to send a bill to a Member shall not relieve any Member of his liability for any Assessment or charge under this Declaration, but the Assessment Lien therefor shall not be foreclosed or otherwise enforced until the Member has been given not less than thirty (30) day written notice prior to such foreclosure or enforcement that the Assessment or any installment thereof is or will be due and of the amount owing. Such notice may be given at any time prior to or after delinquency of such payment. The Association shall be under no duty to refund any payments received by it even though the ownership of a Lot changes during an Assessment Period; successor Owners of Lots shall be given credit for prepayments, on a prorated basis, made by prior Owners.

6.8 Effect of Nonpayment of Assessments; Remedies of the Association.

6.8.1 Any Assessment, or any installment of an Assessment, not paid within five (5) days after the Assessment, or the installment of the Assessment, first became due shall bear interest from the due date at the rate of twelve percent (12%) per annum. In addition, the Board of Directors may establish a late fee to be charged to any Owner who has not paid any Assessment, or any installment of an Assessment, within five days after such payment was due.

6.8.2 The Association shall have a lien on each Lot for (i) all Assessments levied against the Lot, (ii) all interest, lien fees, late charges and other fees and charges assessed against the Lot or payable by the Owner of the Lot, (iii) all fines levied against the Owner of the Lot, and (iv) all attorney fees, court costs, title report fees, costs and fees charged by any collection agency either to the Association or to an Owner and any other fees or costs incurred by the Association in attempting to collect Assessments or other amounts due to the Association by the Owner of a Lot. Recording of this Declaration constitutes record notice and perfection of the Assessment Lien. The Association may, at its option record a Notice of Lien setting forth the name of the delinquent owner as shown in the records of the Association, the legal description or street address of the Lot against which the Notice of Lien is recorded and the amount claimed to be past due as of the date of the recording of the Notice, including interest, lien recording fees and reasonable attorneys' fees. Before recording any Notice of Lien against a Lot, the Association shall make a written demand to the defaulting Owner for payment of the delinquent Assessments, together with interest, late charges and reasonable attorneys' fees, if any. The demand shall state the date and amount of the delinquency. Each default shall constitute a separate basis for a demand, but any number of defaults may be included within the single demand. If the delinquency is not paid within ten (10) days after delivery of the demand, the Association may proceed with recording a Notice of Lien against the Lot.

6.8.3 The Assessment Lien shall have priority over all liens or claims except for (i) tax liens for real property taxes, (ii) assessments in favor of any municipal or other governmental body and (iii) the lien of any first mortgage or first deed of trust. Any First Mortgagee or any other Person acquiring title or coming into possession of a Lot through foreclosure of the First Mortgage, purchase at a foreclosure sale or trustee sale, or through any equivalent proceedings, such as, but not limited to, the taking of a deed in lieu of foreclosure shall acquire title free and clear of any claims for unpaid assessments and charges against the Lot which became payable prior to the acquisition of such Lot by the First Mortgagee or other Person. Any Assessments and charges against the Lot which accrue prior to such sale or transfer shall remain the obligation of the defaulting Owner of the Lot.

6.8.4 The Association shall not be obligated to release the Assessment Lien until all delinquent Assessments, interest, lien fees, fines, reasonable attorneys' fees, court costs, collection costs and all other sums payable to the Association by the Owner of the Lot have been paid in full.

6.8.5 The Association shall have the right, at its option, to enforce collection of any delinquent Assessments together with interest, lien fees, reasonable attorneys' fees and any other sums due to the Association in any manner allowed by law including, but not limited to, (i) bringing an action at law against the Owner personally obligated to pay the delinquent Assessments and such action may be brought without waiving the Assessment Lien securing the delinquent Assessments or (ii) bringing an action to foreclose the Assessment Lien against the Lot in the manner provided by law for the foreclosure of a realty mortgage. The

Association shall have the power to bid in at any foreclosure sale and to purchase, acquire, hold, lease, mortgage and convey any and all Lots purchased at such sale.

6.9 Evidence of Payment of Assessments. Upon receipt of a written request by a Member or any other Person, the Association, within a reasonable period of time thereafter, shall issue to such Member or other Person a written certificate stating (i) that all Assessments, interest, and other fees and charges have been paid with respect to any specified Lot as of the date of such certificate, or (ii) if all Assessments have not been paid, the amount of such Assessments, interest, fees and charges due and payable as of such date. The Association may make a reasonable charge for the issuance of such certificates, which charges must be paid at the time the request for any such certificate is made. Any such certificate, when duly issued as herein provided, shall be conclusive and binding with respect to any matters therein stated as against any bona fide Purchaser of, or lender on, the Lot in question.

6.10 Purposes for which Association's Funds may be Used. The Association shall apply all funds and property collected and received by it (including the Assessments, fees, loan proceeds, surplus funds and all funds and property received by it from any other source) for the common good and benefit of the Project and the Owners and Residents by devoting said funds and property, among other things, to the acquisition, construction, alteration, maintenance, provision and operation, by any manner or method whatsoever, of any and all land, properties, improvements, facilities, services, projects, programs, studies and systems, within or without the Project, which maybe necessary, desirable or beneficial to the general common interests of the Project, the Owners and the Residents. The following are some, but not all, of the areas in which the Association may seek to aid, promote and provide for such common benefit: social interaction among Members and Residents, maintenance of landscaping on Common Areas and public right-of-way and drainage areas within the Project, recreation, liability insurance, communications, ownership and operation of vehicle storage areas, education, transportation, health, utilities, public services, safety and indemnification of officers and directors of the Association. The Association may also expend its funds under the laws of the State of Arizona or such municipality's charter.

6.11 Surplus Funds. The Association shall not be obligated to spend in any year all the Assessments and other sums received by it in such year, and may carry forward as surplus any balances remaining. The Association shall not be obligated to reduce the amount of the Annual Assessment in the succeeding year if a surplus exists from a prior year, and the Association may carry forward from year to year such surplus as the Board in its discretion may determine to be desirable for the greater financial security of the Association and the accomplishment of its purposes.

6.12 Transfer Fee. Each Purchaser of a Lot shall pay to the Association immediately upon becoming the Owner of the Lot a transfer fee in such amount as is established from time to time by the Board, except that no transfer fee

shall be payable with respect to the purchase of a Lot with respect to the initial sale by the Declarant to the first owner of a lot.

7.3 Assessment of Certain Costs of Maintenance and Repair. In the event that the need for maintenance or repair of an Area of Association Responsibility is caused through the willful or negligent act of any Member, his family, tenants, guests or invitees, the cost of such maintenance or repairs shall be added to and become a part of the Assessment to which such Member and the Member's Lot is subject and shall be secured by the Assessment Lien. Any charges or fees to be paid by the Owner of a Lot pursuant to this Section in connection with a contract entered into by the Association with an Owner for the performance of an Owner's maintenance responsibilities shall also become a part of such Assessment and shall be secured by the Assessment Lien.

7.4 **Improper Maintenance and Use of Lots.** In the event any portion of any Lot is so maintained as to present a public or private nuisance, or as to substantially detract from the appearance or quality of the surrounding Lots or other areas of the Project which are substantially affected thereby or related thereto, or in the event any portion of a Lot is being used in a manner which violates this Declaration; the Board may make a finding to such effect, specifying the particular condition or conditions which exist, and pursuant thereto give notice thereof to the offending Owner that unless corrective action is taken within fourteen (14) days, the Board may cause such action to be taken at said Owner's cost. If at the expiration of said fourteen day period of time the requisite corrective action has not been taken, the Board shall be authorized and empowered to cause such action to be taken and the cost thereof shall be added to and become a part of the Assessment to which the offending Owner and the Owner's Lot is subject and shall be secured by the Assessment Lien.

ARTICLE 8

The cost of repair or replacement in excess of insurance proceeds and reserves shall be paid by the Association. If all of the Areas of Association Responsibility are not repaired or replaced, insurance proceeds attributable to the damaged area to a condition which is not in violation of any state or local health or safety statute or ordinance and the remainder of the proceeds shall either (i) be retained by the Association as an additional capital reserve, or (ii) be used for payment of operating expenses of the Association if such action is approved by the affirmative vote or written consent, or any combination thereof, of Members representing more than fifty (50%) of the votes in the Association.

ARTICLE 9

After foreclosure, forfeiture, trustee's sale or other proceeding, the party acquiring such lot shall be considered an Owner and Member for purposes of these Declarations.

ARTICLE 10
